

Frédéric Kranjec-Larose

Full-Stack Developer · Finance Professional

📍 Montreal, QC, Canada ✉️ livewire023@gmail.com 🔗 [linkedin.com/in/frédérickranjec-larose-052835110](https://www.linkedin.com/in/frédérickranjec-larose-052835110)

PROFILE

Finance professional transitioning into full-stack development, combining 3+ years of client-facing experience at RBC and Aviso Wealth with hands-on bootcamp training in the MERN stack, Java, C#, Python, and more. Brings a unique ability to bridge business requirements with technical solutions — skilled at building reliable, user-focused web applications and understanding the operational context behind them.

TECHNICAL SKILLS

MongoDB	Express.js	React	Node.js	JavaScript
Java	C#	Python	PHP	Bash
SQL / MySQL	React Native	HTML / CSS	REST APIs	Git
Selenium IDE	Lighthouse			

PROJECTS

CodeBloggs — Full-Stack Blogging Platform

MERN Stack · REST API · Selenium IDE · Google Lighthouse · DevOps

- ▶ Built a full-stack blogging platform with user authentication, profile management, post creation, and a social network feature.
- ▶ Designed and implemented a REST API using Node.js and Express, connected to a MongoDB database.
- ▶ Wrote automated integration tests using Selenium IDE with custom JavaScript workarounds for React's synthetic event system.
- ▶ Conducted Lighthouse performance audits across multiple versions and benchmarked against X.com, achieving superior scores in Performance, Accessibility, and Best Practices.
- ▶ Deployed and managed the application using DevOps practices including CI/CD concepts and AWS tooling.

EXPERIENCE

Investment Representative | Aviso Wealth

March 2026 – Present · Montreal, QC

- ▶ Advise clients on investment products, portfolio management strategies, and financial planning.
- ▶ Leverage analytical skills to assess client needs and recommend appropriate financial solutions.
- ▶ Collaborate with cross-functional teams to ensure seamless client onboarding and service delivery.

Investment Service Representative | RBC Direct Investing

August 2024 – March 2026 · Montreal, QC

- ▶ Supported self-directed investors with account management, trading execution, and product inquiries.
- ▶ Handled complex financial transactions and resolved client issues in a fast-paced environment.
- ▶ Consistently met service quality targets while managing a high volume of client interactions.

Banking Advisor | RBC

May 2023 – August 2024 · Montreal, QC

- ▶ Provided personalized financial advice across banking, credit, and investment product lines.
- ▶ Built and maintained client relationships, contributing to branch sales and retention targets.
- ▶ Identified client needs through discovery conversations and matched solutions to financial goals.
