PROFILE

Highly motivated finance professional transitioning into full-stack development, combining 3+ years of client-facing experience with hands-on AI native bootcamp experience. Brings a unique ability to bridge business requirements with technical solutions — skilled at building reliable, user-focused web applications and understanding the operational context behind them, throughout strong collaboration.

TECHNICAL SKILLS

Front-End	Back-End
React	Node.js
React Native	Express.js
HTML / CSS / JS	MongoDB
Bootstrap	SQL / MySQL
Tailwind	REST APIs
Lighthouse	Java
	C#
	Python
	PHP
	Bash

EXPERIENCE

Full-Stack Web Development Bootcamp | CodeBoxx

October 2025 – Present • Montreal, QC

- Built and deployed full-stack web applications using the MERN stack, with hands-on experience in React, Node.js, Express, MongoDB, and REST API development.
- Developed CodeBloggs, a blogging platform featuring user authentication, profile management, content creation, and social networking functionality.
- Designed and implemented backend services and database integrations, ensuring reliable data flow between front-end components and server-side logic.

- Performed automated testing and performance auditing using Selenium IDE and Google Lighthouse to improve application quality, accessibility, and best practices.
- Applied DevOps and CI/CD concepts with AWS tooling to support deployment and application management in a collaborative bootcamp environment.

Investment Representative | [Aviso Wealth](#)

March 2026 – Present • Montreal, QC

- Advise clients on investment products, portfolio management strategies, and financial planning.
- Leverage analytical skills to assess client needs and recommend appropriate financial solutions.
- Collaborate with cross-functional teams to ensure seamless client onboarding and service delivery.

Investment Service Representative | [RBC Direct Investing](#)

August 2024 – March 2026 • Montreal, QC

- Supported self-directed investors with account management, trading execution, and product inquiries.
- Handled complex financial transactions and resolved client issues in a fast-paced environment.
- Consistently met service quality targets while managing a high volume of client interactions.

Banking Advisor | [RBC](#)

May 2023 – August 2024 • Montreal, QC

- Provided personalized financial advice across banking, credit, and investment product lines.
- Built and maintained client relationships, contributing to branch sales and retention targets.
- Identified client needs through discovery conversations and matched solutions to financial goals.
